The Spirit of '76

Make way for us; here we come.
We're the future--America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.
Hypocrisies won't get us down;
We will strike where these abound.
There's much to do; we're needed here.
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to help our fellow man.
In this land our fathers made,
We stand together unafraid.

Give us room, let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix;
We're the Spirit of '76!

# The '76 Blackcat Staff Is Proud To Pay Tribute To . . .

Samuel L. Wyman

Juanita, Sam, and Bryan Wyman

The 1975-1976 Publications Class is paying special tribute to Mr. Sam Wyman, counselor, social studies instructor, and junior high basketball coach, and loyal friend to the student body and his co-workers. Mr. Wyman attended Gray Ridge Missouri Elementary School and graduated from Richland High School. While in high school, he was a member of the basketball team. In 1964 he played on the team that took 2nd in state. He was a member of the baseball team, track team, member and reporter for the Beta Club, member of the band and was drum major for three years. He was in Who's Who of High School Students, and a representative for the student council. He was a member of the yearbook staff.

After high school he attended Southeast Missouri State at Cape Girardeau, Missouri, where he received his B.S. in Social Studies in 1969 and his M.A. in Counseling in 1973. At college he was a student senate delegate, chairman of the traffic board, and a charter member of the Phi Sigma Epsilon Social Fraternity.

Mr. Wyman came to Herculaneum in 1969 where he taught civics, and world history. He was sponser of the 1973 and 1975 senior classes.

He is currently co-sponsor of the student council. He has coached eighth or nineth grade basketball since he has been at Herculaneum. In 1972-1973, the ninth grade team placed second in county. Mr. Wyman is vice-president of the Herculaneum C.T.A. He is a member of the Program Committee for the Missouri State Guidance Counselors Association for the year 1975-1976 and he is vice-president of the Jefferson County Counselors.

His parents are Mr. and Mrs. Walter S. Wyman of Essex, Missouri. He has one sister, Sandee, who is married and teaches in Bloomfield, Missouri. Mr. Wyman is married to the Former Juanita Ann Rapp, daughter of Mr. and Mrs. Clarence Rapp of St. Genevieve, Missouri. She is a graduate of Valle High and has a B. S. in Art and will have a M. A. in Art in May from Southeast Missouri State. She has been teaching Art at DeSoto High School since 1969. The third and very important member of the family is their two and a half year old son, Bryan Samuel. Mr. and Mrs. Wyman and Bryan live at Desoto, Missouri.

The Publications Class wishes to give special recognition to Mrs. Wyman who cooperated with us in giving information about Mr. Wyman.

We are proud to pay tribute to an outstanding teacher, counselor, coach, and wish the best for him and his family always.

Alejandro Benitez came to Herculaneum High School February 1, as an exchange student sponsored by the International Exchange fellowship with headquarters in New York City.

In February and March "Al" stayed with Kathleen and Kay Clark. In April and May he stayed with Sue and Brenda Forester.

Alejandro was a Sophomore at Herculaneum High School. He is fifteen years old. His father is the owner of Foto Mexico, which is a camera shop in downtown Mexico. From July 75-December 75 Alejandro stayed with a family in Daytona Beach, Florida. He attended school at Atlantic High School in Palm Beach. Some of the classes Al took here at Herculaneum were based on his previous classes he had taken in Florida. When he arrived in Florida, he knew very little English, but stated he had to learn fast if he wanted to survive. After six months he was able to survive and he even picked up some slang language.

Al feels that everyone here in Herculaneum is very friendly. He is a friendly, out-going young man. He enjoys roller skating, running, and most all other sports.

The classes he took at Herculaneum were Chemistry, Biology II, Algebra English, Bachelor Survival, Sports, and U.S. History.

Alejandro said: Thank you for your hospitality, and if you go to Mexico some day, My house is your house. Thanks a lot again.

Junior's Winning Poster

He graduated in the class of 1965. Coming back to his alma mater in 1975, he realized that ten years had passed by quickly, so quickly that it seemed almost incredible. Many things had changed. The buildings, the instructors, the administration, even the students were somehow different; and yet there were some familiar places and faces. Mr. Horton laughed just as spontaneously as ever; ten years had passed and seemed to have done little to change his spirit. Mrs. Batts certainly had remained as friendly and likeable as always. Mrs. Kaufmann and Mr. Dees had changed only chronologically. Yes, he had enjoyed his visit. But it did seem strange merely to be a spectator on the sidelines. And yet, if he could not participate very much, he could at least relive. He saw an interesting and record crowd, and high traditional spirit; he cheered for the Blackcats in an exciting football game; he witnessed a girl, Cindy Cannon, crowned in an impressive ceremony; and he attended a good dance. It was a nostalgic time. The reminiscence left a warm feeling within him. He was glad he had made it back to Herky's HOMECOMING in 1975.

Derrick Miller
"The Lone Senior"

"Maybe a trip in '76". That was the summary in the '75 Blackcat Yearbook. And what a trip it was! The team placed third in the State Cross Country Meet on the Augustin Golf Course in Columbia. In a field of 240 runners, the Blackcats were led by 12th place Bud McMillin, 17th place Brian Stotler, 31st Roger Gray, 33rd Derrick Miller, 76th Tom Doyle, with pusher Bill Guidicy close behind. After the individual placers were pulled, the Blackcats totaled 105 points--low enough for the third place trophy.

The Varsity season was also highlighted with a 1st place finish in the District meet and Cape Invitational. They placed 2nd in the St. Charles Invitational and 3rd in the Hancock Invitational. The Blackcats also ran their home meet winning streak to 3 years on their new two and one half mile course at the Joachim Golf Course.

The Freshman and Sophomore classes also enjoyed successful seasons. The Freshman almost made it a perfect season winning the Northwest Invitational, Prep North Invitational, and third in the Lindberg Invitational. The Junior Varsity also had their share of victory, winning the St. Louis District Invitational and setting a record low 24 points in winning the Cape Invitational.

With only Senior Derrick Miller graduating, the Cross Country team looks ahead to continuing their winning tradition.

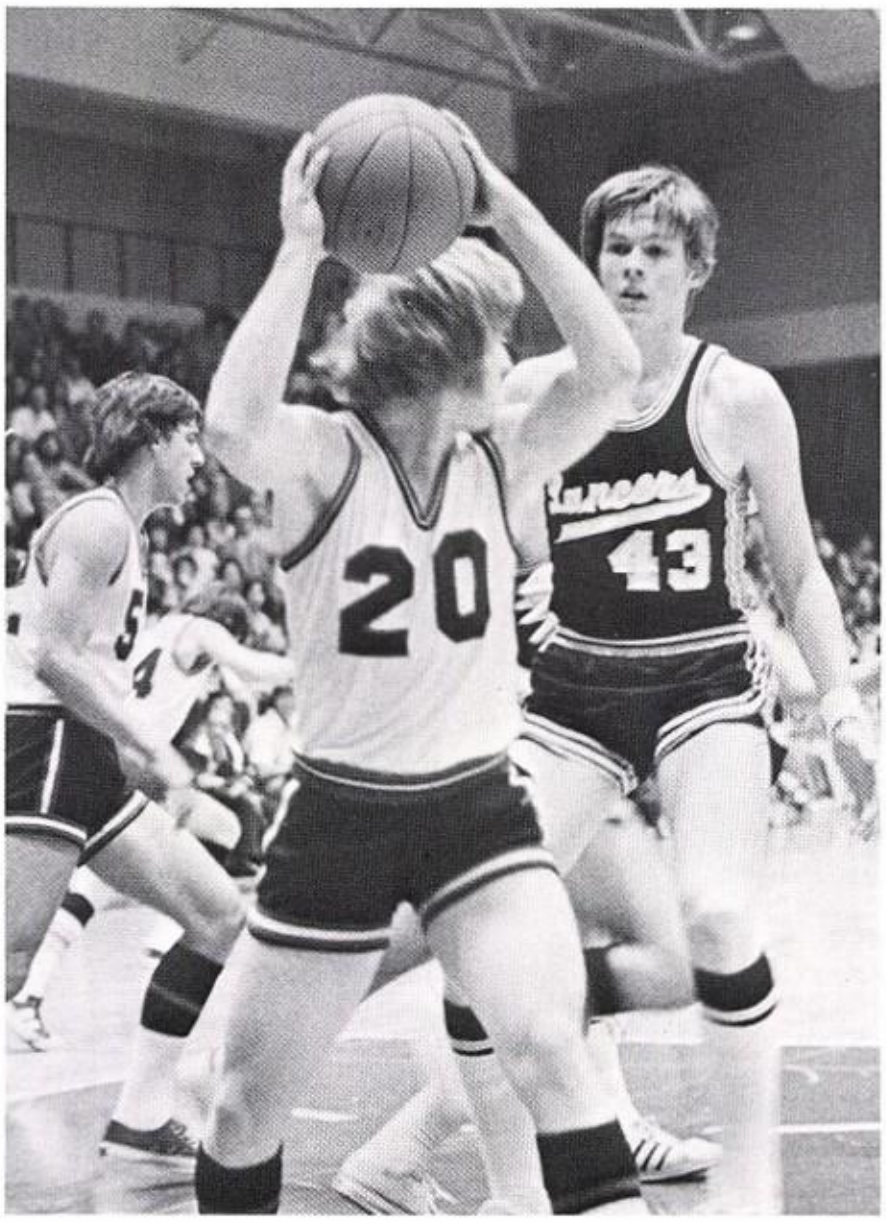
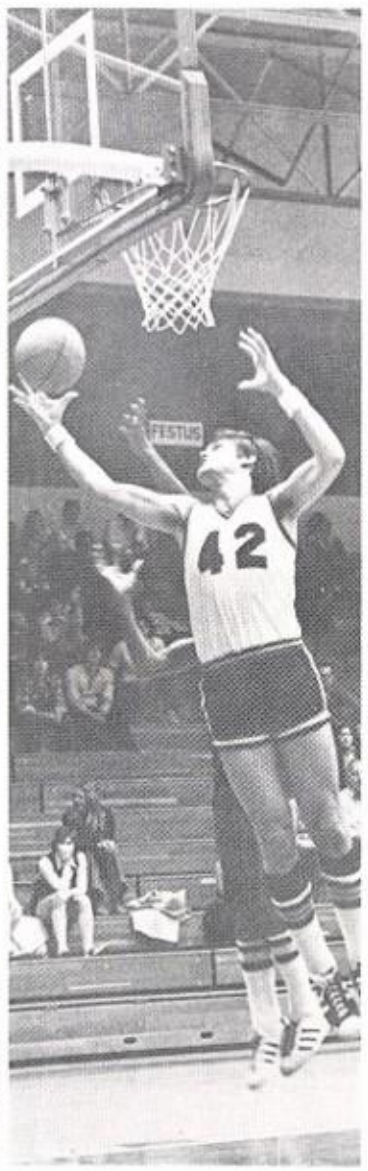
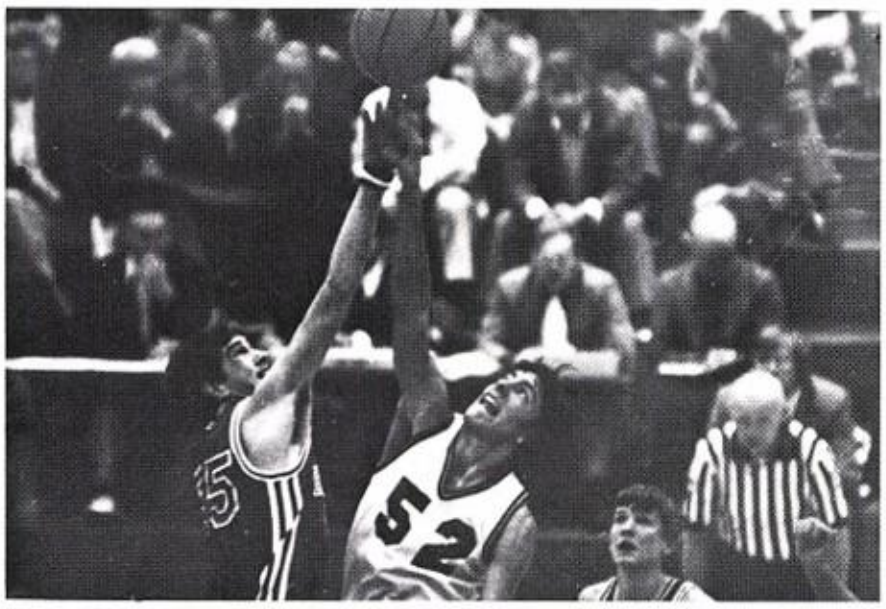
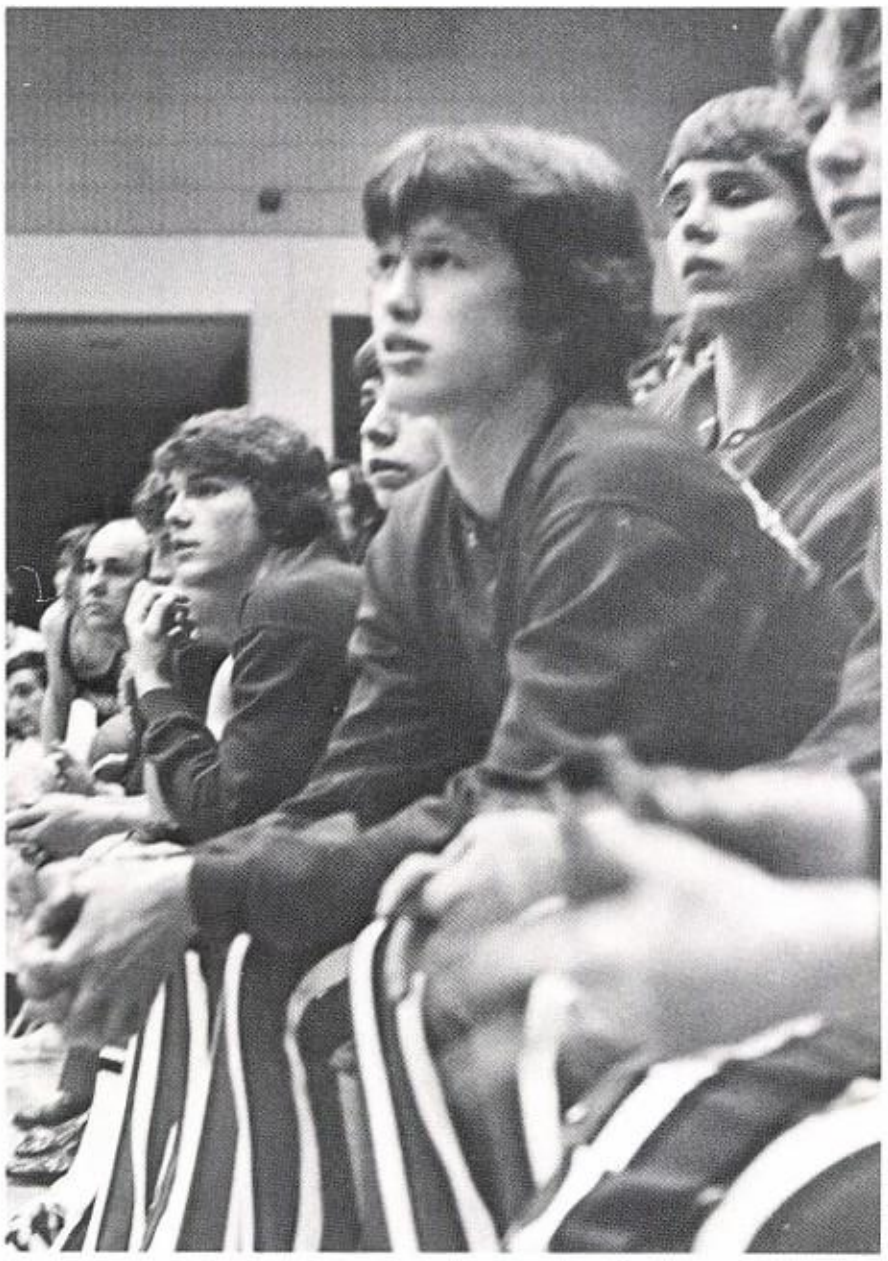
# Varsity In Action









Under the direction of Mr. Bill Stotler, the 1975-76 Blackcats comprised a very impressive, and successful season, which seems to have inspired the basketball fans around Herculaneum High School.

Six very talented seniors, and five dedicated juniors would develop into a "team" that would take both the conference and regional championships, and would be victorious in 23 of those 28 contests.

On November 24, the Blackcats showed the county a preview of the coming events by defeating Leadwood, decisively, 85-71, in the season's opener.

The Hillsboro Invitational was next, and after two impressive victories, the Cats found themselves in the finals, facing their year-long rivals, the Hillsboro Hawks. The evenly matched teams battled for 32 minutes of play, to a 73-71 decision, that favored Hillsboro.

December was good to the Blackcats, as victory after victory, proved the Cats to be a superior contendor. Such was the December 12 game, when the Blackcats evened it up with the Hawks, beating them in the first conference game of the season, by a wide margin, 73-52.

As 1976 rolled around, the Cats prepared themselves for their second trip to the Jeffco Classic. Through determined and inspirational play, the Cats were victorious in the first two frames of the tournament, but finals, again brought on a rematch with the Hawks. After a furious and hard fought battle, the Cats accepted a frustrating second place trophy...55-52.

Following a damaging conference loss to Northwest, 63-68, the Cats mounted a ten game win streak, which included victories over St. Pius, Crystal City, Windsor, DeSoto, and Festus, to keep the Cats in a tie for the conference title.

For the second consecutive year, Herky entered the Festus Invitational tournament and came away with the championship trophy. The final game of the tournament could not have been more exciting if it had come from the pen of Clair Bee. With only two seconds remaining to be played, St. Pius had a one point lead and the ball out of bounds. It seemed hopeless for the Cats, but the game wasn't over yet! The inbounds pass was intercepted by a Blackcat and shoveled toward the basket into the waiting hands of No. 42, who went up for the shot as the horn sounded. The referee signaled that the shot counted, and Herky emerged with a 64-63 title victory.

On Friday, February 13, the Fox Warriors dared cross the path of the Blackcats. With both teams invisioning title dreams and having only one loss, Herky inflicted a 70-66 defeat on the Warriors and insured themselves a share of the League Championship...

During the 1975-76 season Herky encountered some powerful nonconference foes, including Eureka, Clayton, DeAndreis, and Flat River Central.

Central proved to be the toughest. The Rebs posted a final 29-1 win-loss record and finished 3rd in the 3A state tourney. They were to entertain the Cats on February 20 in what was to be a test of the areas 3A powers and also serve as a tune up for the next week's regional tournaments. The match proved to be all Central as the Rebs shot down the Blackcats 93-79 with a blistering 68% shooting effort from the floor.

There were some gains made on February 20 as Festus was able to upset Northwest in their conference match and allow the Cats to retain sole possession of first place in the conference with a nifty 7-1 record.

The stage was now set for the upcoming regional tournament, in which the Cats were seeded first.

In the opening round, the Stotlermen had little trouble with Perryville, defeating them 73-54, and handled the problems with Festus, in the Semifinal match, sending them to defeat 53-40. Herky now had only one obstical between it, and a regional championship, the Hillsboro Hawks. It was a nip and tuck game from the beginning in which the outcome was favorable, Hillsboro got the second place trophy and the Cats advanced into State play.

The first round saw the Blackcats facing Luthern South, a strong mature team that was rated number one in the St. Louis area.

Disaster struck, as the Cats were defeated in a frustrating game, throughout which they had held the lead, until the last deciding minutes. A 63-55 loss closed the door on a very successful and impressive season for the eleven dedicated, talented and inspired 1975-76 Herculaneum Blackcat Basketball Squad.

Cheerleading:
1 year . . . . . Pam Elder
4 years . . . . . Cheryl Gregory
Volleyball . . . . . Christy Roth
Cross Country . . . . . John Collier
Basketball . . . . . Steve Dunn
Gymnastics . . . . . Michelle Edwards
Track . . . . . Pam Elder
David Reich
Baseball . . . . . Steve Dunn
Outstanding Female Athlete . . . . . Pam Elder
Outstanding Male Athlete . . . . . Greg Caby

This page is reserved to pay special recognition to the parents, friends, fellow students, school administration, and faculty, who are dedicated to our school and our athletes enough that they follow and support the Blackcats in every sport in every way.

No matter what the weather may be or how busy they may be with other things, there are those fans who religiously come to practically every athletic event our school is involved in. They will travel as far as St. Clair or Eureka, Flat River and Farmington without even as much thought of the distance as the blink of an eye.

There is a deep, sincere feeling of pride that goes with these people and it reflects back on the teams and school as a whole. There is a comradary that develops between these fans and the athletes. They get to know each other even if it be without meeting.

Whether the fans realize it or not, the players really appreciate this support that is given to them. It's a very good feeling to walk out and see and hear those people clapping and cheering for you, knowing that they are on your side.

Without the fans there would be no Blackcats, because every fan is, in a sense, a member of the Blackcat team, participating in his own way toward the shared goal, to win.

So we thank you, very sincerely, for being the kind of fantastic followers that each and every one of you are. You will always be remembered.

## HERE COME THE BRIDES!

"When a man marries, his troubles begin," an old saying once stated. What, then, will happen when a completely likeable, perfectly normal young bachelor by the anme of Jimmy Took needs a wife in a terrific hurry to prove to generous Uncle Dan that his monthly checks for the support of Jimmy'ds non-exixtant bride have been justified? This is Jimmy's problem when he, Bill Thompson, and Bill's Aunt Ellen get Uncle Dan's telegram that he and his ward, Peggy are bringing the monthly check in person, so that they can meet the new bride. And what else will happen when, through Jimmy's misguided scheming, THREE imitation brides appear--two of them dressed as women, and the other his sweetheart, Madge? But this is only the beginning. Find out the madcap mystery of the brides.

MRS. HILDA KAUFMANN

# Publication's Class Shows Appreciation To Mrs. Hilda Kaufmann

We, the Publications Class of 1976, would like to pay a special thanks to our adviser, Mrs. Hilda Kaufmann. She has put in endless hours of hard work, lots of money, and patience when it came to working with everyone in the class.

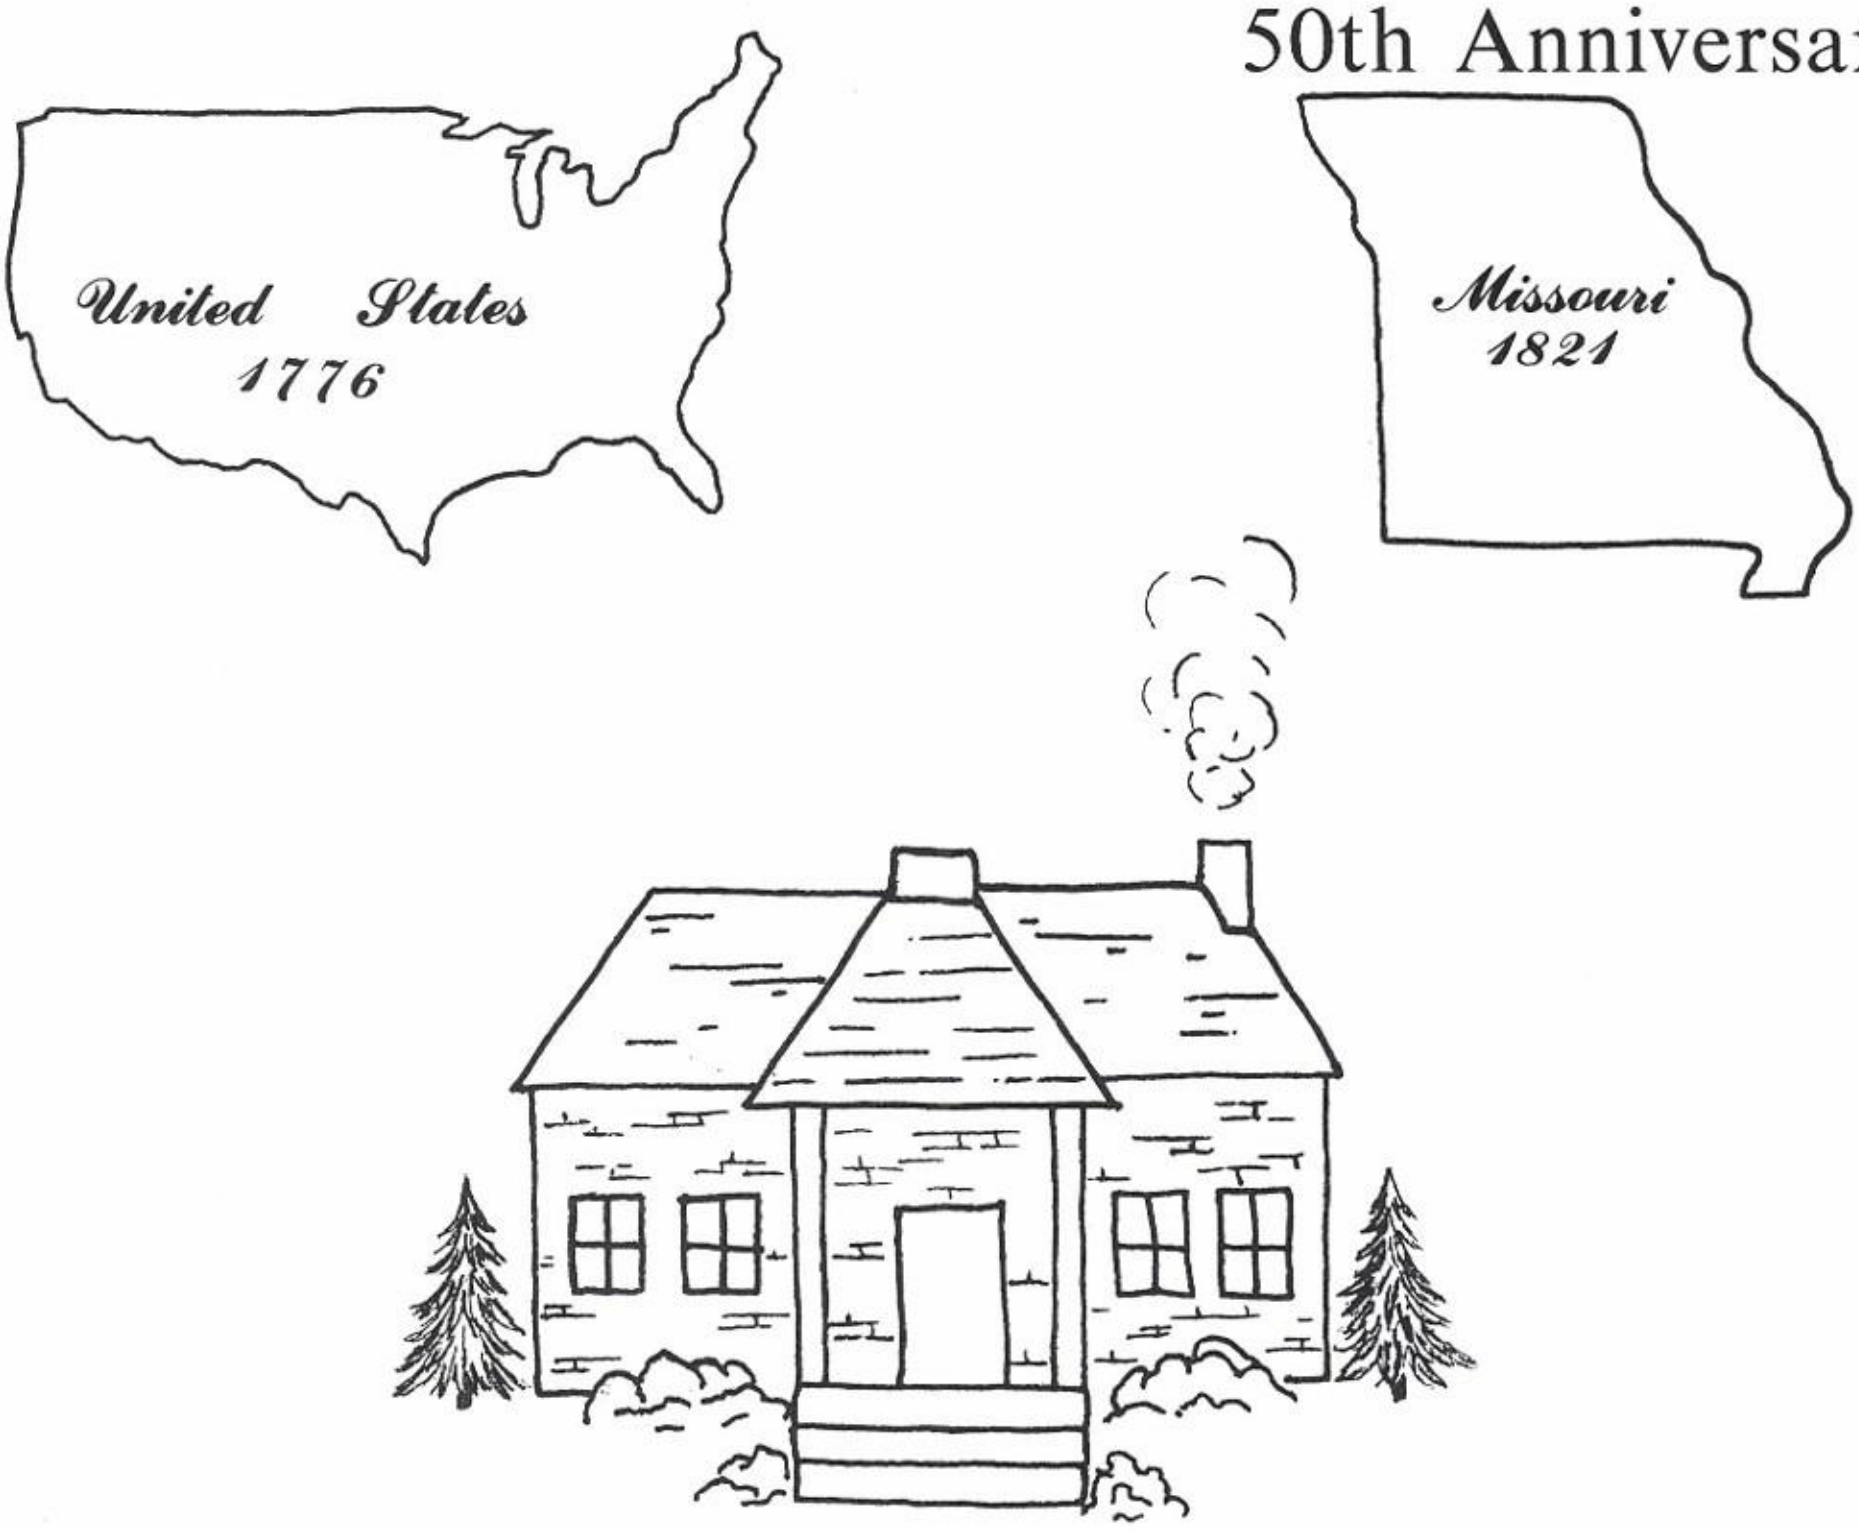
Without her, this yearbook would not have been a success and neither would the Senior High or the Jr. High papers.

During the course of the year, we worked hard but still had a good time. She valued each one of us as individuals and we respected her.

Publications is a class none of us will ever forget. There are so many new things to learn that you never lose interest in making each thing better than the last. Selling ads, yearbooks, laying out the paper, running it off, and finishing up the yearbook, are just some of the things that were done throughout the year.

The birthday parties, the dinners out, and everyday in class, brought us closer together as a class.

You have helped us in all these things, Mrs. Kaufmann, and we all thank you very much.



# 1926 Class 50th Anniversary

The 1975-76 Publications Class is celebrating our country's 200th birthday, our state's 155th birthday and the class of 1926's 50th anniversary.

Sometime in May it will be 50 years since the following have graduated from Herculaneum High School: William Burlage--Herculaneum, Missouri, Gladys Cartee, Herbert Cox--East St. Louis, Howard Crowe--(deceased), Elsie Gendron Herman--Festus, Missouri, Bessie Knight Buemer--Webster Groves, Mary Levy Cohen--St. Louis, James Malone--Crocker, Missouri, Olga Meier Westhoff--Creve Coeur, Ethel Romine Alt--Eureka, Missouri, Goldia Pashia Coleman--Mascoutah, Illinois.

We were able to contact each member except one, Gladys Cartee. We asked them to send a brief resume of their life since graduation and a graduate picture and a more recent picture. The following class members responded:

Vada Simpson Allen

Vada Simpson Allen, is now living in Indiannapolis, Indiana. She was married to the late John Allen and they had one daughter, Dixie. (Mrs. Leroy Williams). Mrs. Allen has two grandchildren, (Marsha Helms and John Williams). Marsha has two children thus making Mrs. Allen a great-grandmother. Mrs. Allen was also married to Virgil Scaggs who is now deceased. She is retired from the Federal Government after working as a file clerk and contact representative.

# Class Of 1926

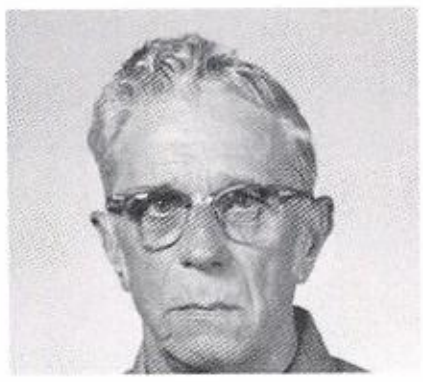
Mayor William Burlage

Mayor William Burlage still lives in Herculaneum. He is a graduate of Missouri University. While in school he worked summers for St. Joe Lead Company. After he received his degree in 1932, he began working full time for them. When he retired in March 1971, he was head chemist. He has one son and one daughter, and two granddaughters. He is married to former teacher of Crystal City, Eleanor Stites.

Mary Levy Cohen

Mary Levy Cohen lives in Webster Groves with her husband, A.M. Cohen. They have one daughter, Pauline.

James Malone lives in Crocker Missouri with his wife, Angelius Roth Malone. They have four daughters and 13 grandchildren and 5 great grandchildren. He has always worked in the automotive field. He is now retired through United States Civil Service. Mr. Malone gives Herculaneum High School credit for some of his success in life.



James Malone

Herbert Cox

Herbert Cox, lives in East St. Louis, Ill. with his wife Opal Taylor Cox. He is retired from Emerson Electric, where he worked for thirty years as an electrician. He has two children and five grandchildren. His daughter, Lois Lybarger of Troy, Illinois has a B.S. degree in Education from Southern Illinois University. His son, Leroy J. of Williamsburgh, Massachusetts has a B.A. degree from Illinois University, and a M.A. from Columbia University in New York.

Olga Meier Westhoff lives in Creve Coeur with her husband, Fredrick, who was an engineer at Century Electric. Olga attended Beethoven's Conservatory of Music and Brown's Business College. She worked in the office of the United States Commissioner, Farmer Seed Loan Office and the Federal Food and Drug Administration from which she retired in 1965. They have one son, Donald, who is an engineer at Monsanto Co. They have one grandson and two granddaughters.

Olga Meier Westhoff

Ethel Romine Alt lives with her husband Edgar at Eureka, Missouri. They have one son, Clarence who lives at Eureka, Missouri. Ethel Romine Alt attended Southeast Missouri University at Cape Girardeau, Mo. Then she taught school for several years. She taught a few years in the Herculaneum Schools.

Ethel Romine Alt

Bessie Knight Beumer

Bessie Knight Beumer attended Missouri University at Columbia, Missouri, where she received her B.S. in Education in Public School Music. She was Music Supervisor at Fenton, Missouri, before her marriage to Mr. Howard Beumer. From 1959-1972 she taught vocal music in the grade schools at Webster Groves, Missouri. Mr. and Mrs. Beumer have one daughter, Ruth Jacobs, who is also a teacher.

Elsie Gendron Herman worked at Ely Walker and Pittsburgh Plate Glass after graduation. She is married to Herbert V. Herman. They are the parents of two children, Herbert J. and Fonda Rose Graham. They have four granddaughters and two grandsons.

## TIME NEVER BENDS

Life is like the four seasons
Changing from time to time for special reasons.
It can be as warm and giving as summer
Or as cold and withdrawn as winter.
At times we feel a little smarter,
At times a little dumber.

Our lives can be spent wisely;
It can be something permanent,
Or as short-lived as a fad.
Life can be living and good;
It can be filled with hate and only bad.

Life is filled with time ever moving forward.
Once a task is done it's done,
There is no backing up.
Spend your life carefully my friends
For as you'll find, time never bends.

Michael Cochran
